Sir,

I have the honor to forward herewith for favour of sanction of Government, the draft byelaws framed by the Holenarsipur Municipal Council for regulating vaccination and to state that it is reported that the draft byelaws were published locally and were not taken objection to by the public in respect of any of the provisions made The notice published calling for public objections and a copy of the resolution of the Municipal Council finally approving of the byelaws are enclosed for reference.

2 I wish to suggest that the words "at the time the vaccination is declared compulsory" occurring at the end of byelaw No.11 (a) may be deleted, as the vaccination is always compulsory in Municipal towns under the recent orders of Government. Similarly, the word "vice" occurring in the last sentence of byelaw No.14, may also be deleted, as the President is the chief executive head of the municipality, who should have the first hand information and should take action to enforce the Regulation. In the first sentence of byelaw No.17, the word "Members" occurring between " and the" and of the Municipal Council
